

E-learning Rules at Slovak School in the World

1. **Attendance and Activity:**
 - **Mandatory Attendance:** Students must be present at all scheduled online lessons.
 - **Excuses:** In case of illness or other reasons for absence, an excuse must be sent via email to the teacher at least 24 hours before the start of the lesson.
 - **Active Participation:** Students must be active during lessons – answering questions, participating in discussions, and completing assigned tasks.
2. **Preparation for Lessons:**
 - **Homework:** All homework must be completed and submitted by the deadline set by the teacher.
 - **Preparation of Materials:** Students should have all necessary materials ready before the start of the lesson (textbooks, notebooks, writing tools).
 - **Technical Equipment:** Students must have a functioning computer, webcam, microphone, and stable internet connection.
3. **Communication:**
 - **Respect and Decency:** Communication with teachers and classmates must always be polite and respectful.
 - **Professionalism:** Use formal language and appropriate greetings in emails and online platforms.
 - **Feedback:** Actively seek feedback and respond to it.
4. **Technical Requirements:**
 - **Internet:** Ensure a stable and fast internet connection to prevent disruptions during lessons.
 - **Equipment:** Keep your computer and other devices in good technical condition and update necessary software.
5. **Plagiarism and Academic Integrity:**
 - **Original Work:** All work and assignments must be the student's original creation.
 - **Sources:** Use and cite only legal and verified sources.
6. **Safety and Privacy:**
 - **Personal Information:** Protect your personal information and do not share it with anyone outside the school.
 - **Passwords:** Keep your passwords confidential and change them regularly.
7. **Behavior Rules:**
 - **Conduct during Lessons:** Behave during online lessons as you would in a traditional classroom – be focused and follow the teacher's instructions.
 - **Breaks:** Respect break times and return to lessons on time.
8. **Assessment and Feedback:**
 - **Tests and Exams:** Participate in all scheduled tests and exams and complete them honestly.
 - **Evaluation:** Accept teachers' evaluations and work on improvement based on their feedback.

9. **Parental Cooperation:**

- **Support:** Parents should actively support their children in e-learning and monitor their progress.
- **Communication:** Maintain regular communication with teachers regarding progress and any issues.

10. **Technical Support:**
